

DBX200 Trekker

The DBX200 Trekker is Katterra's midsize trail bike. The Trekker features a torquey 200cc air cooled engine with electronic start and backup kickstart.

Equipped with a 5-speed manual transmission mated to the capable 200cc engine, the Trekker is a riot in the bush. Great power coupled with crisp handling make this bike great bang for the buck.

If you're looking for something to blast around the trails with your friends, the Trekker is the best fit.
