

DBX70

DIRT BIKE / MOTO CROSS

The DBX70 features a 70cc single cylinder four stroke engine matched to a four-speed semi-automatic transmission for clutch-free gear changes.

A beginner rider will learn quickly and with little frustration using the easy shifting transmission and predictable power delivery. A beginner will be riding like a pro in no time.

This dirt bike is equipped with meaty off-road tires and well designed suspension to handle trails or rough terrain.
