

TrailSport
DTX110
ATV / UTV

The Katterra DTX110 is the definitive choice for the recreation seeker and the adventure seeker alike. This quad is built with tried-and-trusted components such as the 110cc four-stroke air-cooled engine, semi-automatic four-speed transmission, sealed front drum brakes and a rear disc.

The power delivery of this ATV is more than ample for a rider up to 200lbs and with the choice of 4 gears, you will always be in the right part of the powerband.

Sport a unique style while riding this Katterra that is covered in the awesome KM line body; exclusive to Katterra Motorsports.

The DTX110 TrailSport is the most versatile ATV for the beginner rider that wants comfortable transportation around the cottage or an adventurous day on the trails.
